1. The Company has spent the amount for CSR beyond the available amount as a social responsibility and considering upliftment of social and individual health of the people residing within the area of factory and nearby villages of factory site.

2. The CSR Committee of the Company hereby states that the implementation and monitoring of CSR Policy, is in compliance with CSR objectives and Policy of the Company.

3. Reason for The company could spent only 44% out of allotted fund for CSR Activity. In fact, the amount was sanctioned on the basis of work undertaken by the Manjra River Development Conservation work Committee and on demand the funds were made available to it. But due to certain unavoidable circumstances, the project work was held up and funds remained unspent. The remaining fund may be spent in next financial year.
